

HIV/AIDS is the single biggest cause of poverty in the world today. Love Africa is a St James initiative to engage long term with the HIV/AIDS pandemic in Africa. Specifically St James is partnering with Tearfund and Centres of Excellence in Africa to mobilise the Church in Africa to bring hope, care and prevention programmes in the name of Christ to some of the poorest people in the world.

Love Africa focuses on mobilising local African churches and supporting Christian projects that make a real difference to those living with HIV/AIDS. The projects operate in five core strategic areas:

- Ending stigma
- Changing behaviour
- Preventing mother-to-child infection
- Facilitating access to treatments
- Caring for widows, orphans & vulnerable children

I would like to give to the St James Love Africa Fund

I enclose a cheque payable to “St James PCC (Love Africa)” for £.....

Please Provide me with more information about how I can be involved in Love Africa by giving time and skills.

I want the church to reclaim tax on this donation. I am a UK Tax Payer and I note that I must have paid an amount of tax which at least equals tax deducted from this donation.
